First years and seniors are invited to participate. You are highly encouraged to partake in the survey. I will need to reassemble the Fitness Center Planning Committee. Previously, the committee had developed a set of needs. We are going to be inviting architectural firms to the meeting to develop a tentative plan. Need two volunteers. #### VI. Student Comments

**Natividad**- How did last week's meeting go? **DiGrazia**- I think that it would have been beneficial to have more people with you. Exec. Cab. and class presidents. **Taylor**- I think that it could be difficult to stand up and ask questions. Have people write things down. **Post**- Have concerns that we will address at the meeting and hand them out beforehand. **Natividad**- Everyone was supposed to bring a friend, but there

were empty seats. **Gockley**- Will we be having a town hall meeting this semester?  
**Natividad**- We have not planned one yet. As far as structuring goes, I was naïve to think that we didn't need an agenda. But it could help for next time in addition to a panel. With alternative ways to submit concerns.

**DiGrazia**- Can 2011 stay after for a little while. **LaChance**- Table sign up sheet and t-shirt charge sheet. **Rasmussen**- Respond to true life video. **Peters**- Return applications to me or the Office of Student Rights and Responsibilities ASAP, by tomorrow at the latest.
