

Club Council Minutes – October 19, 2010

Homecoming – *Hitchens*

- Thank you to all of the clubs who came out to the Homecoming Parade Camp-Out. We had a minor glitch, but thanks to everyone's cooperation, we had an awesome night.
- Congratulations to the Class of 2011 who won the Camp-Out Cup.
- The Homecoming Parade on Saturday was amazing. The class of 2013 took 1st place with their float, "Titanic" the Class of 2011 took 2nd place with their float, "Blue" and the Class of 2014 took 3rd place with their float "Funk-E-Town." Congratulations to all of the groups for some incredible floats.
- The Homecoming Fair was very successful. Thank you to all of the Student Groups who participated. We had 88 tables in use and a lot of great things for sale.
- There were a few minor glitches with electricity and I apologize for that. They have been noted for next year's Vice President.
- I apologize for the lack of publicity in terms of table reservations and there has been a note made about that for next year's Vice President. Next year it will go in Campus Connections, but as with this year, always remember to keep an eye out for the Student Senate Minutes, Club Council minutes, and the Student Senate website.
- Since this year was a bit messy with reservations, every student group who requested a table received one.
- There were concerns about the weather and they will be brought to the attention of the Homecoming Committee at the follow-up meeting.
- Tables were laid out according to electricity requests, special needs, and outside vendor needs.

Trick-or-Treat – *McCrary-McClain*

- Trick-or-Treat 2010 will be on Thursday, October 28, 2010 from 6pm until 8pm. Please be set-up by 5:45.
- It will begin in room 110 of the James B. Hoover Center, then move outside toward the path, then move into the Blue Bean where our visitors will enjoy cookies, cider, and a ghost story.
- You may want to have your group name and information of some sort available, but most importantly please bring candy to hand out to the kids.
- Clubs will receive an e-mail about the path, a rain plan, and whether or not they can sell items at their tables.

OSA – *Perko*

- The OSA website is being updated with the most current registered student groups, please be patient.
- If you are having any issues e-mail osa@etown.edu. We are more than willing to help.
- R25 issues and questions about e-mail access should also be sent to the OSA e-mail address.

- Registered Student Groups can have an event posted on the OSA calendar. E-mail osaevents@etown.edu with the name of the event, dates, times, and any important information.

General Information

- Budget Request Forms are on the Senate website (etownsenate.com)
- Please make sure to read the Guidelines
- Contact Colin Lynch at lynchcp if you did not receive an e-mail from Chris Care.
- All budget questions should be sent to senate@etown.edu.

Club Council

- I apologize for the lack of publicity about Club Council meetings. There will be a banner in the BSC before the next Club Council meeting.
- Future Dates:
 - November 16, 6pm - 8pm, Hoover 212
 - December 7, 5pm - 8pm, Hoover 212
